Special Notes for Student Vendors

The Arts4All Committee strongly encourages students to participate in the Athens Arts4All to showcase their work, to experience selling their work and to learn from other artisans. Students must follow a similar jury process as the other artisans to ensure a quality show. As you apply, consider your work and prices as well as your display. Students may share a table space with others and are expected to have their spaces monitored for at least one day of the show.

Learning to be a professional means you need to act professionally. Space is limited so get those applications in! Show your creativity, experience how to earn money from art and ENJOY!
